

Digital Convergence

USP 2030

The Digital Convergence
Initiative (DCI)

Third DCI Partner Forum

Welcome

Agenda

Welcome

Short updates: “What’s moving in DCI?”

Short updates: “What’s moving outside DCI?”

Presentation: Interoperability between humanitarian and social protection systems

Group Discussion: Lets share!

Wrap-up

Housekeeping notes

Ask your questions in the chat or live during the Q&A (please raise hand)

Share any comments or resources in the chat

Please keep your mic off when you are not speaking

We do not record this session

“What’s moving
in DCI?”

The Digital Convergence Initiative (DCI)

The global initiative for the digital transformation of social protection systems

Knowledge sharing

Building a multi-stakeholder network, exchanging experience and co – creating knowledge.

One website full of resources: spdc.org

Standards development

Data- , API- and process standards for the interoperability of social protection systems finalized & endorsed by USP2030

Farmer Registry

Disability Registry

Integrated Beneficiary Registry

Social Registry

Civil Registration and Vital Statistics

Identification systems

Employment support systems

Country support and capacity development and training

Digital transformation and interoperability support in 21 countries accompanied by strategic capacity development and trainings.

Additionally, the DCI offers a “Help Desk for Digital Transformation” as a light touch approach for expanded outreach to more countries, including the AI Hub which provides advice on AI adoption in social protection systems

Knowledge sharing

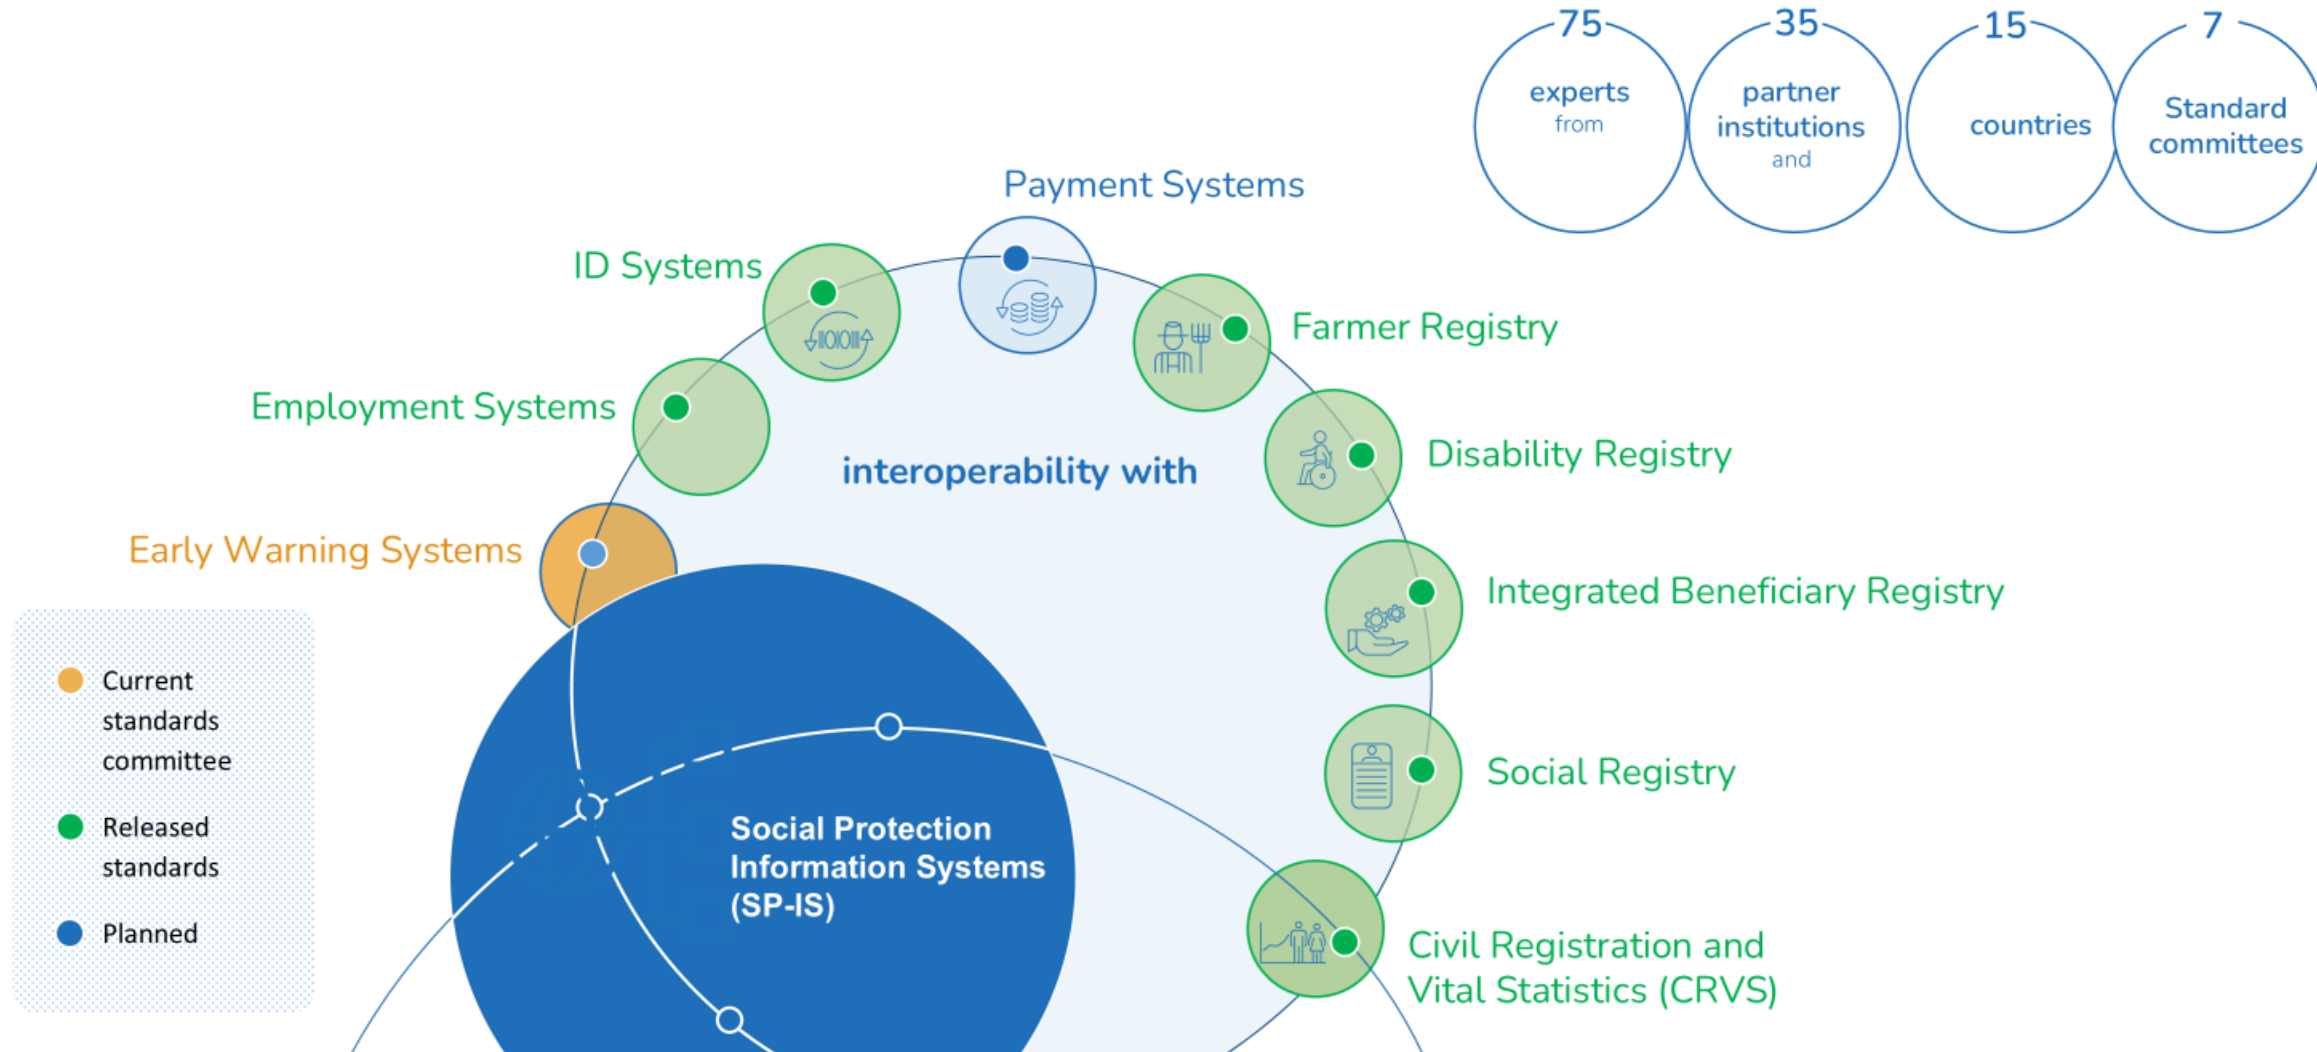

New publication out in September 2026

....and more to be found on our website

Standards Interfaces

DCI core countries

DCI Helpdesk countries

Capacity development and training

Capacity development

Building capacity for digital transformation of social protection systems.

- 377 participants trained in **11** trainings
- Upcoming trainings:
 - Global training in Turin (26-30 October)
 - Training for Dominican Republic (16-20 November)
 - Training for Costa Rica (23-27 November)

Standards in Action Challenge

Call for submissions

 Have a real interoperability example to share?

Track A
Cost of Non-Adoption

Track B
Interoperability Success Story

Track C
DCI Standards Implementation

Why submit?

Top 3 cases awarded

Global Visibility and peer-learning

Scan for more information:

Submission deadline:
13 November 2026

Q&A office hours:

10 September 2026, 8 October 2026
